On June 1 to 4, 2004, the Canadian Institute for Health Information (CIHI) and the World Health Organization (WHO) Collaborating Center for the Family of International Classifications for North America (NACC) welcome you to the 10th Annual NACC Conference on ICF.

Join us in the beautiful city of Halifax, on Canada's east coast, for an opportunity to share in open discussions on key ICF topics and initiatives. Through knowledge exchange with peers from around the world, you will set the course for moving our ICF research agenda ahead.

CONTACT US TODAY TO:

- Request information on registration and abstract submission!
- Subscribe to our conference announcements!
- Get more information about the conference!
